Headteacher Ms N Crookshank BA (Hons) MA

May 2022

Dear Parent / Carer,

Welcome from the transition coordinator

It is a pleasure to introduce myself as the transition coordinator at Cheslyn Hay Academy. It is my passion to ensure that your son/daughter has a seamless transition to high school. It is normal to be apprehensive as your son/daughter transitions to high school but please allow me to assure you that they will be in good hands as we welcome them to the Cheslyn Hay Academy family. As students in our school, they will be introduced to our ASPIRE ethos early on and this is the beating heart of our culture and the way we do things at Cheslyn Hay. The ASPIRE framework is made up of character traits and learner skills (pictured below) and this will allow your son/daughter to reach their academic and personal potential.

Behind the scenes, we have been making exciting preparations to ensure that the transition process flows smoothly. This has started with primary school engagement where we gather key information from primaries to set them up for Year 7. As you will see below, there will be two bespoke transition days where the students will be able to complete two days in school. More information will be provided in due course. Please also find below our key information about the transition process so far and I look forward to meeting all of the students very soon.
