Visit from Wolfie

Activities in the Wolves Museum Inc games and quizzes

Following its previous success we will again be running a Summer Activities Club in our Eagles facility this year. The club will be lead by our Sports Coach, Mark Corbett and will run for the first two weeks of the summer break.

The popular option of special visits has again been included and these exciting opportunities are listed in this brochure. It is important to note however that numbers for these excursions are limited and will be offered on a first come first served basis.

If your child wishes to go on the Chasewater trip, please ensure that your booking is with us by no later than the 30th June.

We are able to accommodate children who are current Reception age upto Year 6, for single days or any combination of days during the programme and parents are now able to make bookings.

Can we kindly ask that children are sent to the Summer Club with suitable clothing, hats, sun cream according to the weather conditions on that day.

Children will need to bring their own packed lunch as these will not be provided. This also includes when attending any trips.

For more information on how to confirm your child's place, please see the reverse of this flyer.
