St John's Primary Academy is enthusiastic about youth sports, competition and physical activity. We acknowledge the value of sport and how it may positively impact a wide range of children in many ways, advancing their social development, physical wellbeing and physiological parameters. Our children are prepared to train, compete and, if necessary, lose since we place a great value on competition in our philosophical ideas. Our children are aware that there are winners and losers in competition. Therefore, we teach the children of St John's Primary Academy to be gracious in loss and humble in victory.

Our Sport and Development Coach Apprentice will play an important role in improving the health and wellbeing of children / families / communities by delivering fun, inclusive and engaging activities that help bring about a change in physical activity habits and evolve participants' skills and performance. The apprentice will support the planning, preparation and delivery of high quality PE and school sport provision.
